Celebrating Joyful Hearts at Saint Mary's Hospital

J. Robert Anthony, M.D. Cardiac Center

Have a Heart. Save a Life!

Dear Friends,

In March of 2007, Saint Mary's Hospital dedicated the J. Robert Anthony, MD, FACC Cardiac Center in recognition of his many achievements. Dr. J. Robert Anthony, FACC, joined Saint Mary's in 1972, served as Chief of Cardiology and continues to serve in an emeritus status. As a visionary and leader, he was acknowledged by his peers as the Dean of Cardiology in Greater Waterbury. In addition to building a full-service cardiac program at the hospital, Dr. Anthony was responsible for the development of the first mobile Coronary Care Unit in New England to bring health care into our community.

A beautiful heart plaque was established outside of the Cardiac Center in honor of Dr. Anthony. With gifts of \$500 or more, your name will be placed on a heart and added to this special plaque. Proceeds from the sale of these hearts will benefit the Center to provide a modern, safe and secure setting to treat cardiac patients. In addition, the enclosed insert allows space for you to share your story with us. Your story will mean a great deal to our caregivers and to those who may be considering Saint Mary's Hospital as their destination of care.

Thank you for choosing Saint Mary's Hospital. I look forward to hearing from you.

"Your philanthropic support will allow Saint Mary's Hospital to continue to care for its cardiac patients with excellence and compassion."

J. Robert Anthony, M.D.

Sincerely,

Steven Schneider, M.D., M.B.A.
